Student Affairs

UKCISA

Are you an international student?

Studying abroad can be a life-changing and unforgettable experience, but it can also be challenging and overwhelming.

UKCISA is here to support international students in the UK, from pre-arrival to post-graduation. We provide advice, guidance, and information about all aspects of the international student experience, from visas and immigration to fees and working during your studies.

Questions about fees, visas or working in the UK?
